Re: Application of Duke Energy Carolinas, LLC for Approval of Transfer and Sale of Hydroelectric Generation Facilities, Acceptance for Filing of a Power Purchase Agreement and an Accounting Order to Establish a Regulatory Asset - Docket No. 2018-281-E

Dear Ms. Boyd:

On August 28, 2018, Duke Energy Carolinas, LLC (the "Company") filed an Application requesting approval of the transfer and sale of hydroelectric generation facilities; acceptance for filing of a power purchase agreement; and an accounting order to establish a regulatory asset ("Application"). On September 10, 2018, the Office of Regulatory Staff ("ORS") filed a letter indicating that it did not object the Company's request. On September 19, 2018, the Company filed a letter requesting that the matter be carried over.

This letter is to advise the Commission that the Company believes this matter is now ready for Commission action. The Company would also note that the North Carolina Utilities Commission has approved the transfer and sale of these facilities based upon a similar request.<sup>1</sup>

Please let me know if you have any questions or concerns regarding this matter.

Kind regards,

Sam Wellborn
